

REPORT

Dear Doctor,

Please see the following conditions that have been potentially identified through our preliminary evaluation. (This report is not a medical diagnosis but aims to highlight potential areas that may warrant a thorough clinical assessment):

Identified Conditions:

If no conditions are listed above, it means that our preliminary evaluation did not indicate any conditions with a medium or high likelihood. However, we still encourage a comprehensive evaluation to ensure a complete assessment.

Thank you for your attention to this matter.

Sincerely,
Inner Discoveries
